Need a Tutor?

TryTutor.com

Tutor.com is an award-winning online homework help and learning service that connects students to a certified tutor for one-on-one help. Get help with homework, studying, projects, essay writing, and test prep in every subject, including algebra, statistics, chemistry, physics, social studies, and English. There are thousands of academic and career services resources—worksheets, practice problems, videos in every subject, as well as financial literacy tips. They are available 24/7 so you can access them whenever you need extra help.

Tutoring services are unavailable on January 1, Easter Day, July 4, Thanksgiving Day, and December 25, beginning at 1:01 a.m. and resuming at 2:00 p.m. the following day (EST).

Getting Started:

- Access your Tutor.com portal and either login or create an account
- Connect with a tutor or use skill center
- Choose your subject

After each session, replay, print, or email your session to refer to later. Find education resources, worksheets, videos, and websites using the College Center.

AMU/APU Civilian & Coast Guard Students

10 Hours/Student/Petition for More

Subjects you can get help in:

MATH	ENGLISH
Algebra	Essay Writing
Geometry	Grammar
Trigonometry	Literature
Calculus	SOCIAL STUDIES
Statistics	U.S. History
	World History
SCIENCE	CAREER HELP
Earth Science	Resume Writing
Biology	Job Search
Chemistry	GED Prep/Back to School
Physics

Multimedia Possibilities

Welcome to the ITCC111 Basic Productivity Applications Course Guide

This course guide provides pointers for getting started with your research. It includes links to key library information resources, including article databases, journals and books, as well as open web content. Use the tabs above to find the type of information you need.

Don't forget that you can also find general resources on the program portal. If you would like additional help with your research projects, or with learning how to use library resources, email the library.

What's a Scholarly Journal Article?

Every year assignment requires you to use scholarly rather than popular sources that quite sure how to distinguish between the two? Then watch this brief video, produced by University Heights Library.

Scholarly vs. Popular Periodicals (final)
